POSTURAL SPECIALIST

Improve your posture and decompress your spine.

We combine ELDOA, myofascial stretching, Global Postural Stretching, Soma Training, Functional Range Conditioning and Kin Stretch techniques to help you:

- Build strong postural muscles
- Reduce strain on joints and spine
- Boost mood and energy levels
- Improve digestion and breathing
- Improve circulation and immune health
- Recover from sport and injury

Whether you want support through rehabilitation of an injury, need to off-set the physical impacts of a restrictive desk job, want to improve sports performance or simply experience greater ease of movement and improved vitality, these group classes will help you achieve your goals.
